New Participant Registration & Login Instructions

Open the Link for New Participants

[EQAS – New Participant Registration/Login](#)

For New Participants

1. Click on “**Apply Now**”.
2. Fill in all the required details in the online registration form.
3. After completing the form, click “**Register**”.
4. The **payment link will be activated automatically** after registration.
5. Make the payment using any of the following modes:
 - **UPI**
 - **Net Banking**
6. After successful payment, the system will generate a **unique User ID and Password**.
7. Use the User ID and Password to log in to your EQAS account.
8. After logging in, complete your profile/page as required and **enter all the required findings**.
9. Finally, review the entered findings and submit them as per the instructions.

Important: Please keep your User ID and Password safe for future login and participation.
